Preston, J. P., Jakubiec, B. A. E., & Kooymans, R. (2013). Common challenges faced by rural principals: A review of the literature. *The Rural Educator*, 35(1), 1–12.

Current Research: In general, my research interests are gender, feminist theory, leadership, and women’s studies. In my dissertation research, I plan to explore the gendered messages and expectations that young women (aged 14–18) receive and experience in their sexuality education in four Atlantic Canadian schools, and where young women receive additional information about sex and sexuality (and from whom).
