

CVER [News](#) and [Outlook](#) into the winter semester

[Happening now...](#) :

- * welcoming new visiting students: Tita Phiriyaphokhai, others?,
- * starting graduate course VHM 8120 with 6 students (+2 auditors),
- * graduate course VHM 8020 cancelled due to low registration (→ 2023),
- * planning a multilevel course (~ Epi on the Island) early in the summer semester: hybrid format, with local and external participants,
- * preparing the CVER AGM in Feb/March with important elections,
- * other activities ... (please contribute)

[Oops, did I forget about ISVEE 16 ...](#) :

- * ongoing work on sponsorships, local organization and program,
- * planning and registration for workshops underway (2 post-conference workshop registrations so far),
- * review and evaluation of first round of abstracts underway,
- * [REMEMBER](#) to submit your abstract(s) by February 15!
