HISTORY MAJORS CHECKLIST

This checklist is intended to assist students in determining which courses they need in order to meet the requirements for the majors degree in History. It is intended as a supplement to the Registrar's degree audit. When completed, students are are encouraged to review it with their departmental advisor or the departmental chair.

PREAMBLE: DECLARING A MAJOR
Students may declare a history major at any time during their undergraduate career, although university regulations require that students declare a major (in something!) by the beginning of their third year. To declare a major in History does not require the approval of the History Department, although we would be happy to consult and advise. All a student needs to do to declare their major is to fill out the required form at the Registrar's Office.
