The Island Condition

- Quick and Visible Results of Climate Change
- Manageable & Human Scale
- Quick & Visible Results of Cleaner Climate Policy
- Transfer Potential: Of Practice & Possibility
Policy Area 1 – Food Security

• Why is imported food cheaper than local food?
Policy Area 2: Cultural Heritage

• Why must we measure cultural heritage?
Policy Area 3: Innovation

• How can we encourage shift to a clean / green / blue economy?
Policy Area 4: Renewable Energy

• Is PEI bold enough to commit to become a carbon neutral jurisdiction?
