

FSDE FAQs February

Q1: What's going on with the Engineering Success Centre ?

FACULTY DROP-INS

Wednesday Mornings 9-11am - Engineering Success Centre (Room 107)

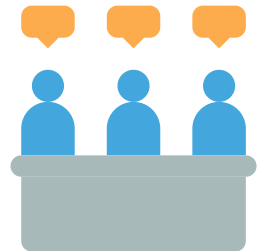

Take a few minutes to learn more about your instructor than their coursework; the faculty of the FSDE have stories to share and answers to your questions. On Wednesday mornings this month, you can corner them in the Success Centre. Upcoming faculty to meet are Dr. Wayne Peters on Feb. 8 and Dr. Nadja Bressan on Feb. 15.

INDUSTRY PANEL NIGHT

Thursday Feb. 9, 6-8pm - Room 128B

Gain insight into a career in engineering by attending Industry Panel night. Don't miss this opportunity to hear the advice and experiences of working professionals, or the opportunity to eat free pizza.

DIGITAL LOGIC STUDY SESSION

Wednesday Feb. 15, 5:30-6:30pm - Location TBD

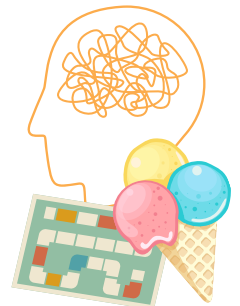

If your digital logic questions are feeling a little less than logical, you might benefit from this hour of collaborative study and group practice problems.

MENTAL HEALTH DAY

Friday Feb. 10, 12:30-3pm - Room 128A

Midterm season is tough; remember the importance of taking care of yourself at by enjoying some free ice cream and relaxing with a board game. The Canadian Mental Health Association will share some words at 1, and will be available after for drop-in sessions.

Q2: What's being planned by the Engineering Society?

BROOKVALE SKI NIGHT

Wednesday Feb. 8, 5:30-9:30pm - Mark Arendz Ski Park at Brookvale

Buddy up at Brookvale to take advantage of the 2-for-1 ticket deal, or ticket+rental package at \$35.65 when you buy together. Need a drive? Get matched with a volunteer driver to carpool with by filling out the form linked in the bio of @upeengineering on instagram.

CHARM
ME

VALENTINE'S DAY CANDY GRAMS

Sold Monday-Friday Feb. 10 - Online sales

Valentines Day is growing engi-near, so make sure to show your FSDE favourites some love by sending them a candy gram, including a fresh flower, sweet treat, and engineering-themed card for 5\$. Candy grams can be purchased by cash or card using the form linked in the bio of @upeengineering on instagram.

SUPERBOWL WATCH PARTY

Sunday Feb. 12, 7pm - Upstreet Brewery

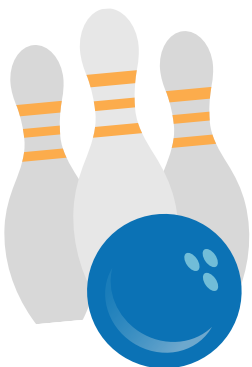

Chiefs, Eagles, and non-football fans alike are invited to a viewing party for the Super Bowl. The party is 19+ ONLY, and free for members or 5\$ for non-members.

BOWLING NIGHT

Wednesday Feb. 16, 9-10:15pm - The Alley

Got any pent-up anger from the first half of first semester? Take it out on the pins by attending bowling night at The Alley. The price is 5\$ for members or 10\$ for non-members. Feel free to be early and hang out in the pub area before your strikes.

Q3: Where is engineering taking students this month?

ENGINEERING LEADERSHIP SUMMIT

Delegates have been selected to attend this conference focused on leadership skills and professional development, from Feb. 17-19 at Université de Moncton.

GLOBAL BRIGADES - HONDURAS

The members of the UPEI Engineering Global Brigades are preparing for the brigade to Honduras regarding clean water systems in rural Honduran communities, from Feb 19-28.

CANADIAN ENGINEERING COMPETITION

UPEI is to be represented by 4 delegates who were successful at the Atlantic Engineering Competition, and will now compete on the national scale from Feb. 23-27 at University of Waterloo.

Q4: What if there are more unanswered questions?

ENGINEERING SUCCESS CENTRE FEEDBACK FORM

Use this QR Code to deliver valuable insight to the Success Centre about academic difficulties, further support needed, or ideas for events you would like to see.

ENGINEERING SOCIETY ADVOCACY FORM

Use this QR Code to communicate academic or social concerns/comments directly with the Engineering Society.
