HSB 301 & HSB 302
hosted by Jen Taylor and Faye Murphy-Gallant
(who will take the students over?)

Kinesiology Lab Tour

Steel 118, 119 and 128
Hosted by Tyler Baker
(who will take the students over from Duffy?)

School of Mathematical and Computational Sciences

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Meet & Greet

All SMCS students will be asked to remain in Duffy Amphitheatre after the Faculty of Science Welcome session.

SMCS NSO Session - Shannon Fitzpatrick in Duffy Amphitheatre 135
General Information for all SMCS students

Programs Breakout Sessions - Cass Science Hall & Duffy
Advising Information / Students Q&A Session

- Financial Math and Actuarial Science - Alex Alvarez & Kai Liu in Cass 105
- Analytics - Chris Power in Cass 104
- Computer Science - Antonio Bolufe-Rohler & Shannon Fitzpatrick in Duffy Amphitheatre 135
- Math/Stats - Shafiqul Islam in Cass 101

Biology

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Lab Tours

Biology Lab Tours

Duffy TBD

Hosted by TBD

Environmental Studies

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Meet & Greet

Environmental Studies Meet & Greet

Meet up after Welcome session in Duffy.

May go outside for meet & greet if weather permits.

Alternate location TBC

Hosted by Carolyn Peach Brown and a student rep.

School of Climate Change & Adaptation

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Meet & Greet

Climate Change & Adaptation Meet & Greet

Meet up after Welcome session in Duffy.
Climate Change Department - 4th Floor Duffy

Hosted by Xander Wang

Chemistry

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Lab Tours

Chemistry / Biotech Lab Tours

ICC TBD

Hosted by TBD

Physics

3:00PM Students will meet in Duffy for the Welcome session.

3:45PM Breakout into groups for Lab Tours

Physics Lab Tours

FSDE TBD

Hosted by TBD
