TURNING THE TIDE
ISLAND IMAGINARIES AND INTERDISCIPLINARIES IN CLIMATE CHANGE
3rd International Conference on Small Island States and Subnational Island Jurisdictions

Presentation Guidelines

Paper Presentations

- Each presenter is given a 30 minute window for their presentation. We ask that presenters keep their slideshows to 15-20 minutes long, in order to allow for at least 10 minutes for questions.
- We will ask for presenters to send their slideshows/presentation materials at a later date.

Panels

- Unless otherwise stated, each panel will be given 30 minutes for the entirety of their presentation/talk. We ask that panel discussions also allow at least 10 minutes for discussion/questions from the audience.

Posters and Creative Displays

- Posters and creative displays will be showcased on Thursday afternoon/evening during a two-hour long session. We ask that presenters be next to their poster/installation from 4–4:30 p.m. to answer any questions. Afterwards, presenters are free to check out the other exhibits on display.
- Members of the organizing committee will be in touch in the coming weeks to discuss set up times, printing, and other details.

Workshops

- Each workshop will be given 1 hour. A sign up sheet will be made available at the beginning of the conference for attendees to choose which workshop they wish to attend.
- Conference organizers will be in touch with those running workshops to ensure that there will be adequate space and materials for their workshops.
